## 2019 WATERVALE RIESLING

### BACKGROUND

Mount Horrocks Wines is operated by proprietor/winemaker Stephanie Toole, who restricts production to approximately 3,500 cases per annum in order to achieve her aims of quality and single vineyard expression.

**2018 Watervale Riesling – Tyson Stelzer – WBM Magazine 95points**

### VINEYARDS

Hand picked from estate owned single vineyard in Watervale, Clare Valley. Certified Australian Organic (ACO) wine from 2014.

### VINIFICATION

The hand picked fruit is cooled and crushed destemmed with only the free run juice used. No finings. Fermented without oak by neutral yeasts to completely dry to allow pure expression of the variety and single vineyard site. Suitable for vegans and vegetarians.

### TASTING NOTES

Youthful lime green which will develop in time.

Delicate spring blossom and lime leaf with a hint of vanillin spice. Crunchy green-apple crisp, vibrant distinctive lemon-lime citrus flavours abound, at once juicy and tangy. Almost ethereally light and elegant, its minerality wafting along the palate to a long, pleasing close.

Impressively delicious and worthy of at least a few years cellaring, if not more than a decade.
