ROSSO & BIANCO

Wine for EVERYDAY *Life*

Rosso & Bianco wines pay tribute to the Coppola family's Italian heritage. Francis Coppola fondly recalls his uncle making homemade wine in the basement of their New York apartment when he was a boy. Nothing fancy, just easy-drinking everyday wines for the family to enjoy on the dinner table each night. Rosso & Bianco wines are made in that same spirit: wines for everyday life.

2015 ROSSO & BIANCO Rosso

Our Rosso & Bianco wines have always been very special to us. Not only do they pay tribute to our family's Italian heritage, they're some of the first wines we ever created. The care that goes into crafting them offers unparalleled quality at an unbeatable price. When it comes to Rosso, the brand's flagship wine, we strive to bring you a blend that reflects the kind of homemade "comfort" wines Coppola recalls his family making.

Our 2015 Rosso offers rich, juicy flavors of berries, cherries, and an edge of spice. With medium weight and a velvety palate, this highly versatile red blend delivers robust character from supple tannins and lightly toasted oak. A perfect pairing with hearty dishes such as braised beef, grilled lamb chops, and cheesy pasta dishes.
