THE VITICULTURIST'S NOTE ON THE VINTAGE

During the first few month of the year there was a lack of rain. Thanks to the good water supply of the vinyards our vines survived this difficult period without water stress. On the other hand the summer was really hectic, having extreme weather in July followed by a dry harvest season with heatwaves from August until October. Nonetheless, our professional viticulture and wine teams have once again guaranteed the birth of one of our most outstanding Culture aszú wine showing full potential of the vintage.

THE CHIEF WINEMAKER'S NOTE ON THE WINE

Golden yellow, clear color. In the first moment the perfume of peach compote comes from the glass, followed by an incredible fruit cocktail: Williams pear, pineapple, melon, apricot, strawberries with a touch of oriental spices. Fresh, youthful and despite being almost exclusively composed of fruit notes it already provides a very complex taste experience: lots of tropical fruits, mango, pineapple, Williams pear, apricot. The barrel adds delicious spicy notes and an exciting twist to this overwhelming 6 puttonyos aszú!
