Warrelwind

Sauvignon Blanc

2021

Our Sauvignon Blanc is produced from higher, cooler vineyards in the Cape. Warrelwind (whirlwinds) are common in the vineyards throughout summer. The seasonal winds cool the grapes and turn the windmills dotting the landscape.

Winemaking

Harvesting takes place over 3 weeks at different ripeness levels to capture a wider range of flavours. Reductive winemaking (minimal air/oxygen contact) preserves freshness and fruitiness, while 3 months maturation on the lees gives additional complexity and integration. The wine was fined and filtered before bottling.

Vineyards

A blend of grapes from warmer Agter-Paarl vineyards for riper, tropical notes (70%), and cooler, higher-elevation vineyards in Stellenbosch, Elgin for the greener, herbaceous characters (30%).

Technical details

Blend: 100% Sauvignon Blanc

Grape source: A mix of Western Cape vineyards (Agter-Paarl 70%, Stellenbosch 8%, Franschhoek 14%, Elgin 8%)

Closure: Screwcap

Barcode: EAN 6009669350437

Alc: 13.0% **RS:** 4.2 **TA:** 6.3 **pH:** 3.26

Wine description

Our Warrelwind Sauvignon Blanc is a palate-pleasing wine: harmonious and well-balanced, showing typical herbaceous flavours as well as richer tropical notes. Pale straw in colour with a light green tinge, it has a lively bouquet of tropical fruit. On the palate the wine shows bright tropical fruit flavours of passion fruit and pineapple (our Paarl fruit) complemented by crisp, well-integrated acidity. The wine has a rich, full structure with a rounded and creamy mouthfeel. Our Warrelwind Sauvignon Blanc, with an abundance of flavours from both sides of the Sauvignon spectrum, suits a wider audience, but will please any Sauvignon Blanc fan!

Vintage

2021 was a warm and dry season producing smaller berries with enhanced flavour concentration. Warmer day-time temperatures combined with cooler night-time temperatures resulted in perfect fruit quality showing good flavour intensity and fresh acidity. This season produced a healthy and disease-free crop, resulting in wines with intense aromatics and great texture on the palate.

The Integrity and Sustainability certification seal

- The vintage, variety and origin on the label are correct
- The wine has been produced sustainably, in an environmentally-friendly manner
- The wine can be traced back all the way from the vine to the bottle
- It was bottled in South Africa – so it is 100% South African
