Masintín Cariñena 2020

Valle del Maule

Origin

Truquilemu, Valle del Maule. This Cariñena is coming from a parcel surrounded by the granitic slopes of the coastal cordillera. It was planted back in 1950 and it is located 40 km from the Pacific Ocean. Gobelet pruning, non-irrigated and ungrafted.

Viticulturist

Waldo Orellana

Harvest

26th of March 2020

Winemaking

Grapes were hand harvested and de-stemmed, fermented with native yeasts in cocciopesto tanks during 16 days at 24° - 26°C with a mix of punch downs and pump overs. Total maceration lasted for 26 days. After maceration the wine was transferred to 25% used barrels and 75% cocciopesto amphorae during 11 months prior bottling.

Blend

92% Cariñena and 8% Cinsault.

Total production

3.658 bottles.
