

David & Nadia

Wine of origin Swartland

David & Nadia is a first generation family owned Swartland project and we are members of the Swartland Independent Producers. With family roots in the Swartland dating back to 1757, we focus on dry land farmed bush vines, soil diversity, climate and people of one region only.

In the vineyard we aim for biological farming whilst more vineyards are being farmed more organically year on year and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural approach as style where site and soil are at work with minimal influence from a winemaking point of view.

Elpidios 2023, Wine of origin Swartland

Grenache noir (26%), Syrah (24%), Carignan (22%), Pinotage (20%) and Cinsaut (8%).

For this Grenache noir-based blend we used the grapes from nine different vineyards, picked on 13 days during the vintage. Our 2023 Elpidios includes three components (44% of the blend) that were fermented and matured in concrete vessels – Grenache noir, Syrah and Pinotage – with a portion of Pinotage also maturing in our single 4 100 L foudre. As in previous years, the balance of wine making up this blend was matured in old 500 L neutral French oak barrels. The winemaking regime here is mostly the same as for our main Grenache noir in terms of long, gentle extraction, the use of 40% on average whole bunches and then pressing off. After bottling, the wine was aged in bottle for 18 months before release. This vintage is again based on grapes grown in granite soils from the Paardeberg, blended with structured shale/schists from the east, clay rich soils from the north and iron rich soils from the west.

The Swartland is known for extremely warm summers with a low average winter rainfall. On the west, the Swartland borders on the Atlantic ocean and on the east inland by mountain ranges. Due to this location, a large diurnal shift is observed where the average daytime temperatures are much higher than the average night time temperatures. All of our vineyards are however inland and our climate is considered to be mediterranean.

Elpidios 2023, Wine of origin Swartland

Total Production:

9 500 x 75cL bottles

515 x 150cL magnums

pH: 3.53

RS: 1.4 g/L

Alcohol: 13.5%

TA: 5.9 g/L

TSO₂: 71 mg/L

Release date: August 2025

75 cL bottles

Bottle barcode: 6009804176038

12 bottle box barcode: 16009804176035

6 bottle box barcode: 26009804176032

Empty bottle weight: 611 g

Cork weight: 3.5g

Full bottle weight: 1 413 g

Full 150cL bottle weight: 2 650 g

12 bottle box dimensions: 340 mm x 258 mm x 302 mm

12 bottle box volume: 0.026 cbm

12 bottle box empty weight: 400 g

6 bottle box dimensions: 300 mm x 260 mm x 180 mm

6 bottle box volume: 0.01404 cbm

6 bottle box empty weight: 261 g

150 cL magnum

Bottle barcode: 6009804176076

4 bottle box barcode: 56009804176071

4 bottle box dimensions: 366 mm x 342 mm x 113 mm
